

Glass Plus Edge

Extreme Impact and Shatter Protection.

Glass Plus Edge: Extreme protection for your device. 3X shatter resistance, full-screen coverage, scratch prevention, smudge resistance, smooth touch, and easy installation.

3X
STRONGER

- Glass Anti-glare is 3X more protective than an unprotected screen.
- Maximized case-friendly coverage for full-screen protection.
- A precision surface finishing process provides maximum scratch resistance.
- A long-lasting, oil-resistant finish prevents fingerprints from accumulating and helps keep your screen looking pristine.
- The premium composition of this smooth tempered glass has remarkable touch sensitivity and 100% clarity.
- EZ Apply® tabs and a drop-in installation tray make applying your Glass Edge simple and accurate.
- The anti-static solution prevents dust from the air from being absorbed onto the adhesive side of the glass, ensuring a smoother installation process.

Introducing Glass Plus Edge – the ultimate guardian for your device. With 3X shatter protection, it's like an invisible armor for your screen. Embrace full-screen coverage, keeping your device safe from edge to edge. Worried about scratches and smudges? Don't be. Our precision surface finish fights off scratches while the oil-resistant coating keeps fingerprints at bay. And yes, it feels as smooth as it looks, offering remarkable touch sensitivity. Applying it is a breeze with EZ Apply® tabs and anti-static technology. Experience the difference with Glass Plus Edge.
