

Milan™

Semi-Transparent Case with Runway-Inspired Design

Milan™ is more than just a pretty case. It's reinforced with graphene, one of the strongest materials in the world. Milan provides up to 13 ft. drop protection. It has a beautiful, semi-transparent surface enhanced with ombre wave effects, glitter, or an iridescent finish. This slim, lightweight case fits comfortably in your pocket, but you won't be able to resist showing it off.
