

mophie® snap+ multi-device travel charger

Portable, MagSafe compatible, wireless charging hub for Qi-enabled devices.

The snap+ multi-device travel charger has everything you need to charge on-the-go. Designated wireless charging spots for your phone and AirPods provide a shared output of up to 5W-15W of power.¹ It also has a USB-C port and a USB-A port, so you can plug in two additional devices to charge. The travel charger folds neatly into a bundle that fits easily in your bag.

Key Selling Points:

- **MagSafe Compatible:** Built-in magnets allow your devices to snap into the ideal position for wireless charging on contact.
- **Provides up to 7.5W-15W of Wireless Power¹:** The charger delivers up to 7.5W to iOS devices and up to 15W to Android devices.
- **Designated AirPods Charging Spot:** A designated charging spot delivers up to 5W of power to your AirPods.
- **Two Additional USB Ports:** Charge a third and fourth device with up to 10W using the additional USB-C and USB-A ports.
- **Includes Snap Adapter:** The snap adapter attaches to any Qi-enabled smartphone so it can magnetically attach to the snap+ travel charger.
- **Travel-Friendly:** The travel charger folds into a neat bundle for hassle-free travel.
- **Everything You Need to Charge:** The travel charger comes with a 30W USB-C wall charger and a USB-C to USB-C cable.
- **Incorporates Sustainable Materials:** All external plastic is made with 30% post-consumer recycled (PCR) plastic.
