

# Santa Cruz™ Snap with Ring Stand

Award-winning impact protection in a sleek, stylish design with MagSafe compatibility and kickstand.

Say hello to the Santa Cruz Snap w/ Kickstand iPhone 15 case – where protection meets style and hands-free convenience. With 13ft (4m) drop protection infused with Graphene, it's your shield against those unforeseen accidents. The integrated kickstand offers optimal hands-free viewing, while MagSafe compatibility and a slim design keep charging and comfort in focus. Crafted with up to 70% recycled materials, it's eco-friendly and comes with anti-yellowing and antimicrobial properties. Elevate your device in trend-setting colors. Embrace the fusion of style, protection, and functionality with Santa Cruz Snap w/ Kickstand.

Graphene

## Graphene: One of the strongest materials on earth<sup>3</sup>

**EXTREME STRENGTH<sup>3</sup>**  
Graphene is harder than a diamond, yet more elastic than rubber, and up to 200x stronger than steel.

**HEAT DISSIPATION<sup>3</sup>**  
Graphene is one of the most conductive man-made materials on earth.

**INDUSTRY-LEADING INNOVATORS USE GRAPHENE<sup>3</sup>**  
• Aviation  
• Aerospace  
• Professional Sports  
• EVs  
• Military

- Integrated kickstand provides optimal, hands-free viewing.
- Tested and proven to protect your phone from drops up to 13 feet (4 meters).
- Santa Cruz snap has been infused with Graphene, the strongest material on earth.
- Santa Cruz Snap is compatible with MagSafe and charges with most wireless chargers.
- The same protection you expect, but now even thinner for the most comfortable feeling in-hand.
- Made with up to 70% post-consumer recycled materials.
- Anti-yellowing properties ensure your case stays as transparent as the day you bought it.
- Contains antimicrobial properties to protect the case against odor-causing bacteria and guard against degradation from microorganisms.
- Show off your phone and your personality with a stylish colored border, camera ring, and Snap magnet design to match.
