

# Denali™

## Ultra Protective, Adventure-Ready Phone Case

The Denali™ case is inspired by the tough and indomitable spirit of the mountains. This rugged, textured case is fortified with graphene, one of the strongest materials on earth! Denali™ has a dual layer design that provides up to 16 feet of drop protection.

### Graphene: One of the strongest materials on earth<sup>3</sup>

**EXTREME STRENGTH<sup>3</sup>**  
Graphene is harder than a diamond, yet more elastic than rubber, and up to 200x stronger than steel.

**HEAT DISSIPATION<sup>3</sup>**  
Graphene is one of the most conductive man-made materials on earth.

**INDUSTRY-LEADING INNOVATORS USE GRAPHENE<sup>3</sup>**  
• Aviation  
• Aerospace  
• Professional Sports  
• EVs  
• Military

## Graphene

We named this case “Denali™” in honor of the tough and indomitable spirit of the mountain. Denali™ provides serious drop protection—16 feet—with a no-slip grip and a textured finish. This dual-layer case is strengthened with graphene, one of the strongest materials on earth. The adventure-ready Denali™ case gives you peace-of-mind protection. And it’s made with up to 100% recycled content, so you can feel good about your case purchase too.
